Distressing Accidents.

A very distressing accident happened Wednesday on the George Leinweber farm. While Mr. Earnest Heinen was working with the corn sheller he stumbled and in falling got his left hand caught in the cog wheel of the sheller, fearfully mutilating the same. He was immediately brought to town for surgical attention. The attending physicians decided that it would be impossible to save the mutilated member, and amputated the hand at the wrist. Mr. Heinen is resting as well as could be expected under the circumstances.

Clarence Wernette, while staying at the house of his uncle, Edwin Bendele, here in town last Friday morning found a dynamite cap. Not realizing the danger he was in, the boy tried to make a match box of the cap and in forcing a match into it, the match ignited, causing an explosion which blew the first joint of the thumb of his right hand off, and so badly injured the index finger of the same hand that it had to be amputated at the second joint. His left eye was also badly injured by the explosion. He was taken to a specialist in San Antonio and a piece of the shell was extracted from his eye. While the eye is seriously injured, the attending physician thinks he will retain the use of it. Young Wernette has but recently returned from the oil fields of east Texas and was preparing to operate Edwin Bendele's corn sheller.

Oil News.

Medina Oil Development Company is down 455 feet and have been waiting for material for some few days. Have just gone through a sandstone which is making a good show of oil. This was struck at 449½ feet and is seven feet thick. Under this rock is two and one half feet of hard blue shale and below this is another oil bearing sand-rock. We are greatly encouraged by present prospects, so much so that we are afraid to drill any further until we have our casing set on this rock at 449 feet. As soon as the material arrives, we are going to the casing and test out the oil and see just what we have.

The Company will suffer temporary loss while using up the material bought at high prices but they are willing to make the sacrifice in order to bring business back to a going condition as quickly as possible and maintain the momentum of the buying power of the country.

Henry Ford says "The war is over and it is time war prices were over."

There is no sense or wisdom in trying to maintain an artificial standard of values. For the best interest of all, it is time a real practical effort was made to bring the business of the country and the life of the country down to regular pre-war standards.

We are at your command with regular Ford efficiency in service and eagerness to fill your orders.

Golden Wedding Celebration.

One of the most attractive weddings of the season was the golden wedding anniversary of Mr. and Mrs. August Obetz of Moore which took place Thursday morning, Sept. 16th, at 10 o'clock at St. Louis Catholic Church, where they were joined in holy wedlock fifty years ago according to the rites of the Catholic Church.

The bridal party entered the church to the strains of a beautiful wedding march, in the following manner: the little flower girls, Misses Madeline and Marguerite Kilhorn, of San Antonio, who carried bouquets of gold flowers and lace ferns, followed by the bride, who carried a bouquet of carnations tied with gold colored maline, and the best man, Mr. Alfred Rihn. Then came the groom and the bridesmaid, Miss Clara Rihn, who carried a bouquet of carnations. Then came the bride's brothers and their wives in the following order: Mr. and Mrs. Pete Rihn, Mr. and Mrs. Laurence Rihn, Mr. and Mrs. Jacob Rihn, Mr. and Mrs. William Rihn, Mr. and Mrs. Louis Rihn, and Mr. Chas. Obetz, brother of the groom.

From the altar, which was decorated in gold, Father A. Heckman read the impressive service which was followed by a solemn High Mass, during which the choir sang beautifully. The church was filled to its utmost capacity with relatives and friends of the contracting parties.

The bride was handsomely dressed in gray satin and georgette with trimmings of real lace embroidered in gold. She wore a crown of gold and carried a fan of ostrich plumes with gold trimmings.

The bridesmaid wore a beautiful white crepe de chine dress and a large picture hat to match.

The little flower girls were prettily dressed in white net trimmed with ruffles edged with white satin ribbon.

Immediately after the ceremony the wedding party and invited relatives and friends repaired to the home of Mrs. Caroline Kilhorn where a reception was held and a sumptuous dinner was served. The house was beautifully decorated for the occasion. From the center of the ceiling in the dining hall a large white wedding bell was suspended, around which hung fifty small gold bells. From the bells streamers of gold were carried to the corners of the ceiling and held with small gold shoes and flags. The main decoration on the dining table was the large wedding cake with its trimming of gold and lit up by fifty candles. Over the entrance to the hall were the words, "Golden Jubilee" draped with U. S. flags. On the porch were two large U. S. flags which hung from the ceiling to the floor.

At night a grand dance was given in honor of the celebrants and one of the largest crowds ever present at a dance in Castroville was in attendance. In fact, the whole celebration was one of the most enjoyable affairs ever held here.

Mr. and Mrs. Obetz received many congratulations and many were the wishes expressed that they might live to celebrate their diamond wedding. Mr. Obetz's gift to his wife was a handsome diamond ring.

Mr. and Mrs. Obetz have lived at Moore during their entire married life, the Obetz family having been the first white settlers to make their home at Moore Hollow. After the railroad was built, the town of Moore was built near the old estate.

Mr. Obetz is 71 years old while Mrs. Obetz, whose maiden name was Louisa Rihn, is 66 years of age.

The out of town guests at the celebration were: Dr. and Mrs. R. O. Perkins, August Biediger and daughter, Mrs. Fitch, and little son, Mrs. John Ahr and daughter, Miss Ethel, Miss Annie Rihn, Mr. and Mrs. Thomas, Mr. and Mrs. Edwin Zimmermann and children, Mrs. Louisa Kilhorn and two little daughters, Mr. and Mrs. Phil. Tschirhart and Mrs. Frank Grimsinger, all of San Antonio; Mr. and Mrs. Henry Weynand and children and Mrs. Julia Wernette, of D'Hanis, Mr. Chas. Obetz and son, Mr. and Mrs. Ed Biediger and children, Mr. and Mrs. Frank Cude and children, Mr. and Mrs. F. R. IS YOUR HEALTH GRADUALLY SLIPPING

Interesting Experience of a Texas Lady Who Declares That Women Know About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so lifeless I could hardly go at all.

"I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my housework was a task almost impossible to accomplish.

"I was ... nervous and easily upset.

I couldn't rest well at night and just lifeless.

"I heard of Cardui and after I decided I had some female trouble was pulling me down. I sent for it and began it ...

"In a very short while after I began Cardui Home Treatment I saw improvement and it wasn't long before I was all right—good appetite, splendid and much stronger so that I easily house work.

"Later I took a bottle of Cardui tonic. I can recommend Cardui to do so, for if more women knew it would save a great deal of sickness."

The enthusiastic praise of thousands of other women who have found it helpful should convince you of its worth trying. All druggists sell it.

Low-Cost Mileage—in Goodyear Tires for Small Cars

There is no economy in buying so-called bargains in tires offered at sensationally cheap prices when a well-made tire delivers mileage at a considerably lower rate of cost.

Add the time and trouble occasioned by frequent replacements and it is fully apparent why tire users, seeking real mileage economy, are not attracted to very cheaply priced tires.

The popularity of Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, is based on the fact that they are built to deliver exceptional mileage at low cost and consistently do so.

If you own a Ford, Chevrolet, Maxwell, Dort or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for true Goodyear mileage, value, economy.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50 30 x 3½ size in waterproof bag.

During the last half of the last term of the Hondo High School the Senior Class published a semi-monthly school magazine, The Jujilla Leaf. The publication was a success from the start and became a popular spokesman and exponent of our school. So successful was this journalistic venture that the 1920-21 Senior Class decided to begin its publication early in the present term. The initial number was printed in the Anvil Herald office this week, and it will appear regularly twice each month during the remainder of the school year. It is entirely under the management of the Senior Class, and from the literary merit of the initial number we judge the young people are going to make good. They have already been given assurance of financial success as is attested by the liberal advertising patronage; help them to the achievement of their other aims by giving them your moral support, offering only friendly constructive criticism, and withholding your knocks.

When you awake in the morn and wish an eye opener, try a cup of WILKINSON'S Fresh Coffee, made in an earthen urn. Also a stack of delicious "Melt in Your Mouth Hot Cakes."

Misses Octavia Davis and Dee Crow, two former Hondo High School graduates, left Sunday for the Seco where they opened school Monday morning, the former as principal and the latter assistant. The school is a two-teacher school with eight grades. The young school "ma'ams" are having their first experience in the work of teaching, but as Miss Davis had a course in teaching at Our Lady of the Lake College last session and Miss Crow took similar work at the Southwest Texas State Normal this summer, their friends are confident they will make good in their chosen profession.

Calumet is made in the largest, most sanitary Baking Powder Factory in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

CALUMET BAKING POWDER

It received highest Awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France—positive proof of its superior merit.

It is used by more housewives, domestic scientists and chefs than any other brand. That would not be the case, if it were possible to secure a higher quality leavener.

It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

"Thine Is the Glory"

This painting, which hangs in National Headquarters of the American Red Cross, Washington, depicts the homage of America's fighting womanhood as mobilized for service in the World War by organization. It is the collaborative scientific and art creation of Joseph Gray Kitchell, late of the General Staff, U. S. A., and F. Lutz of the New York School of Art. The face of the central figure is a composite of the features of a thousand Red Cross workers selected for the purpose.

When Doctors Disagree.
John Jimson was very ill. He called in a doctor, who hemmed and hawed and called in a second doctor. Then, while John Jimson lay and suffered, the two quarreled about his case. "You are wrong," said Doctor No. 1. "I'm right," retorted Doctor No. 2. "You're wrong," repeated Doctor No. 1.

Here the patient gave a groan and brought the medical men to a realization of the needs of the moment. But Doctor No. 2 couldn't resist a last swipe. "Go your own way," said he, "but I'll prove I'm right at the post-mortem!"—From the Argonaut.

Scared Them Off.

"Tomorrow's my birthday," said the man in the trench coat, "and I shall get the usual very welcome box of cigars from my wife."

"Welcome?" jeered his friend. "I'll bet you throw them away!"
"Not much! I give them to my friends. They remember the horror, and later when I offer them a cigar that's really good they decline. I tell you, my wife's gift means dollars in my pocket every year."—Stray Stories.

Carlson Also Gets Rid Of Thirty-Five Years' Trouble With Rheumatism.

"By taking Tanlac I have gained twenty pounds and gotten rid of rheumatism that had troubled me for thirty-five years," said J. W. Carlson, of 96 Phelan Creek street, St. Paul, Minn.

"I am now sixty years old," he continued, "and had suffered ever since I was a young man of twenty-five. During that time I had the very best of treatment and tried many different kinds of medicine, but got no permanent relief until I found Tanlac. I was in such bad shape last year that I was laid up for three months. I also had stomach trouble so bad that everything I ate caused me to bloat with gas and suffer for hours afterwards. Often I had raging headaches and was so nervous I could never get much sleep. Finally I gave up entirely and never expected to be any better, but I began taking Tanlac and the way it knocked that rheumatism out was simply wonderful, and I haven't a sign of it left."

"My stomach trouble, too, has left me entirely. I eat three big meals every day, for I am hungry all the time and never have the least bit of indigestion. My strength has come back and it beats the world the way I am gaining in weight. I never felt better in every way in my life and it gives me pleasure to recommend Tanlac, for it will do just what they say it will."

Tanlac is sold in Hondo by W. H. Windrow; in Castrovilla by Joseph Courand & Co.; and in Dunlay by Louis A. Haby.

That on the 1st day of January A. D.
1920, plaintiff was lawfully seized and
possessed of the following described
Land and premises, situated in Medina
County, Texas, holding and claiming
the same in fee simple, to-wit:—232
acres of land, out of Survey No. 1523,
originally granted to Francois Tauche;
the same being that part of said sur-
vey lying South of an agreed division
line between J. R. Scates and Geo. I.
Wilson, and for further description of
said 232 acres of land reference is here
made to a deed from Geo. I. Wilson

Medina County, Texas, in Book A, No.

acres of land, known as survey No.
760, originally granted to Guadalupe
de los Santos; 600 acres of land, out
of survey No. 583, in the name of
Nancy B. Burleson; said 600 acres ly-
ing south of an agreed division line
between J. R. Scates and Geo. I.
Wilson, and for further description of
said 600 acres of land reference is here
made to deed of Geo. I. Wilson to J.
R. Scates, dated March 24th 1887, re-
corded in the Deed Records of Medina
County, Texas, in Book A, No. 20, on
page 340; 101 9-10 acres of land, known
as Survey No. 583; 1116 acres of land,
out of Survey No. 589, in the name of
Julian Cervantes; said 1116 acres being
lying South of an agreed division
line between J. R. Scates and Geo. I.
Wilson, and for further description of
said land, reference is here made to a
deed from Geo. I. Wilson, to J. R.

corded in the Deed Records of Medina
County, Texas, in Book A, No. 20, on
page 340; 384.1 acres of land, known
as Survey No. 591, in the name of
Joseph Barnhart.

That on the day and year aforesaid
January 1st 1920, defendants unlaw-
fully entered upon said premises and
ejected plaintiff therefrom, and unlaw-
fully withheld from him the posses-
sion thereof.

Plaintiff further represents and al-
leges that all the above described lands
were conveyed by J. W. Moore, and
Ed. C. Minor, by Warranty deeds, as
follows;—from J. W. Moore, by a War-
ranty deed, dated June 20th 1890; that
said deed was duly filed for record in
the Deed Records of Medina County,
Texas, the County wherein said lands
were situated, on the 16th day of July,
A. D. 1890, and that such deed was
duly recorded in said Deed Records in
Book A, No. 22, on page 503, to which
deed and its record reference is here
made for further description of said
lands; and by deed from Ed. C. Minor,
dated October 17th, 1898, duly filed for
record, and recorded in the Deed
Records of Medina County, Texas, on
November 7th, 1898, in Book A, No.
30, on page 261, to which reference is
made for further description; That
plaintiff immediately thereafter entered
upon said lands and took exclusive
possession thereof, and since said time
has had peaceable and adverse posses-
sion thereof, cultivating, using or en-
joying the same and paying all taxes
thereon, claiming under and by virtue
of the aforesaid deeds, for a period of
more than five years prior to the in-
stitution of this suit and prior to the
1st day of January, A. D. 1920, and
that if defendants, or any of them had
any cause of action against plaintiff
by reason thereof such cause of action
is barred by the Statute of limitation
of five years. Plaintiff further repre-
sents and alleges that he has had ac-
tual peaceable and adverse possession
of the aforesaid lands, cultivating,
using or enjoying the same for a period
of more than ten years prior to the
institution of this suit and prior to the
1st day of January, A. D. 1920, and
that if said defendants or any of them

had any cause of action against plain-
tiff by reason thereof, such cause of
action is barred by the Statute of
limitation for ten years.

Plaintiff brings this suit for the pur-
pose of determining the estate, inter-
est or claim, if any, that said defend-
ants, or any of them, have in and to

defendants, or any of them, may have
in and to said lands and premises;
Wherefore plaintiff prays that defend-
ants be cited by publication as re-
quired by law in such cases, and that
upon a final hearing plaintiff do have
and recover of and from defendants
the land and premises aforesaid, and
that the title to said land and premises
be decreed to be in plaintiff free and
clear of any right, title, claim or in-
terest of defendants, or any of them,
and that plaintiff have such other

Look at the

THERE isn't any "country"

II

To hear some tire dealers
talk you might think that
nobody knew anything about
tires except the fellow from
Broadway.

That's not the basis we
go on.

We give every man credit
for knowing what he is
spending his money on,
whether he drives up here
in his small car from ten
miles out in the country or
is passing through from the
capital in his limousine.

III

That's one thing we like
about U. S. Tires.

They make no distinction
between the small car
owner and the owner of the
biggest car in the country.

It's all the same to them.
So long as a man owns an
automobile—large or small
—he's entitled to the very
best tire they can give him.

Quality has always been
the outstanding feature of
U. S. Tires. There's no
limit on the U. S. guarantee.
All U. S. Tires are guaranteed
for the life of the tire.

IV

We have given a lot of
thought to this tire proposi-
tion. There is some advan-
tage in being the represent-
atives of the oldest and largest
rubber concern in the world.

Drop in the next time
you're down this way and
let us tell you some interest-
ing facts about tires.

Citation by Publication.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Medina County—Greeting:

You Are Hereby Commanded, That you summon Elizabeth Balzen, whose residence is unknown, by making Publication of this Citation in some newspaper published in the County of Medina, for four (4) consecutive weeks previous to the return day hereof, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Medina, at the court house thereof, in Hondo, on the 6th Monday after the 1st Monday in September, the same being the 18th day of October, A. D. 1920, then and there to answer a Petition filed in said Court, on the 27th day of August A. D. 1920, in a suit numbered on the docket of said Court No. 1901, wherein John Balzen is plaintiff, and Elizabeth Balzen is defendant. The nature of the plaintiff's demand being as follows, to-wit:

Suit for divorce and for judgment dissolving the Bonds of matrimony existing between plaintiff and defendant.

Plaintiff represents that he is, and has been, for a period of twelve months prior to and next preceding the filing of this suit, a bona fide inhabitant of the State of Texas, and a bona fide resident of Medina County, during all of said time. That on or about June 26, 1920, in Medina County Texas, plaintiff was lawfully married to the defendant; That after their marriage, they continued to live together as husband and wife for a period of about two weeks and until the 14th day of July, 1920, when the defendant abandoned the plaintiff and returned to her former home in the State of Illinois, with the avowed and expressed intention of never returning to plaintiff or plaintiff's home, and since which time plaintiff and defendant have never lived together as husband and wife; Plaintiff alleges that during the time that he and defendant lived together as aforesaid, he was kind and affectionate towards her, providing her with all of the comforts of life, a good home, and that he tried in every way to make her happy and contented; but that the defendant was never satisfied, and that her actions and conduct were such as to lead plaintiff to believe, and he did believe, that his life was in danger, or that defendant would inflict upon him great bodily harm; That on the 10th day of July, 1920, at plaintiff's home, the defendant, during the night time, took out her pistol and began firing same into the darkness; that after the firing of said gun, the defendant proceeded to hide herself about the place, thereby creating a great disturbance and fear in plaintiff's household.

Plaintiff further alleges that upon leaving plaintiff, the defendant, within a few days thereafter met a man by the name of Guy Dohn, with whom she is now living as husband and wife; that defendant openly admits that she is now married to said Guy Dohn, and that they are living together as husband and wife, in Sterling, Ill. Plaintiff alleges that the marriage relations between himself and the defendant still exists; but that defendant's conduct and actions are of such a nature that their further living together as husband and wife is insupportable, the premises considered; Wherefore plaintiff prays the Court that defendant be cited to appear and answer herein, and for judgment dissolving said marriage relations between plaintiff and defendant, and for costs of suit and such other remedies, general and special, in both law and equity, to which he may be entitled.

Herein Fail Not. And have you before said Court, on the said first day of the first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Hondo this, the 15th day of September A. D. 1920.

Issued same day.
